

Never Be Like You (feat. Kai) [Disclosure Remix]

Flume

What I would do to take away this fear of being loved Allegiance to the pain
Now I'm fucked up and I'm missing ya
Never be like you
I would give anything to change this fickle-minded heart
That loves fake shiny things
Now I'm fucked up and I'm missing ya
He'll never be like you I'm only human can't you see
I made, I made a mistake
Please just look me in my face
Tell me everything's okay
Cause I got it
He'll never be like you
I'm only human can't you see
I made, I made a mistake
Please just look me in my face
Tell me everything's okay
Cause I got it
He'll never be like you How do I make you wanna stay?
Hate sleeping on my own, missing the way you taste
Now I'm fucked up and I'm missing ya
He'll never be like you
Stop looking at me with those eyes
Like I could disappear and you wouldn't care why
Now I'm fucked up and I'm missing ya
He'll never be like you
I'm only human can't you see
I made, I made a mistake
Please just look me in my face
Tell me everything's okay
Cause I got it
He'll never be like you I'm only human can't you see
I made, I made a mistake
Please just look me in my face
Tell me everything's okay
Cause I got it
He'll never be like you I'm falling on my knees
Forgive me, I'm a fucking fool
I'm begging, darling, please
Absolve me of my sins, won't you? I'm falling on my knees
Forgive me, I'm a fucking fool

I'm begging, darling, please
Absolve me of my sins, won't you? I'm only human can't you see
I made, I made a mistake
Please just look me in my face
Tell me everything's okay
Cause I got it
He'll never be like you I'm only human can't you see
I made, I made a mistake
Please just look me in my face
Tell me everything's okay
Cause I got it
He'll never be like you Baby, baby please believe me
C'mon take it easy
Please don't ever leave me
He'll never be like you
