Feelin' So Good (Remix) [feat. Big Pun & Fat Joe]

Jennifer Lopez

Here I go
Here I go
Feel better now
Feel better nowHere I go
Here I go
It's better now
Feel better nowDo you remember when we fell under
Did you expect me to reason with thunder
I still remember when time was frozen
What seemed forever was just a moment
Hurry up, hurry up
There's no more waiting
We're still worth saving
Feel the light
Shining in the dark of night
Remember what we forgot
I know it's a long shot
But we're bringing it all back
We're bringing it all back
Feel the light
Shining like the stars tonight
Remember what we forgot
I know it's a long shot
But we're bringing it all back
We're bringing it all backHere I go
Here I go
Feel better now
Feel better now
Here I go
Here I go
It's better now
Feel better nowI still remember when things were broken
But put together the cracks will closin'Hurry up
Hurry up
There's no more waiting
We're still worth savingFeel the light
Shining in the dark of night
Remember what we forgot
I know it's a longshot
But we're bringing it all back

We're bringing it all backFeel the light
Shining like the stars tonight
Remember what we forgot
I know it's a longshot
But we're bringing it all back
We're bringing it all backYou and I can have it all tonight
So let's bring it back it to light
Now we have another chance to fly
Another chance to make it rightFeel the light
Shining in the dark of night
Remember what we forgot
I know it's a long shot
But we're bringing it all back
We're bringing it all backFeel the light
Shining like the stars tonight
Remember what we forgot
I know it's a long shotFeel the light
Shining like the stars tonight
Remember what we forgot
I know it's a long shot
But we're bringing it all back
We're bringing it all backHere we go
Here we go
