

# Double Trouble (feat. Nikki Simmons)

## Jonathan Young

This is the boss, and I'm sick of waiting  
I want Pikachu, and this time, don't screw it upPrepare for trouble

Make it double

Prepare for trouble

Make it doubleWe'll be the richest rogues of all time

Creators of a grand design

I'll be the king

I'll be the queen

I'll be the joker... of crimePrepare for trouble

Make it double

Prepare for trouble

Make it double

To protect the world from devastation

To unite all people's within our nation

To denounce the evils of truth and love

To extend our ach to the stars above

Jessie, James

Team Rocket blast off at the speed of light

Surrender now or prepare to fightTeam Rocket's rockin'

Talkin' trouble, walkin' trouble

Double trouble

Big trouble's gonna follow you

Team Rocket's rockin'

Talkin' trouble, walkin' trouble

Double trouble

Big trouble's gonna follow you

We're gonna capture Pikachu

Prepare for trouble

Make it double

Prepare for trouble

Make it doubleWe're Team Rocket and we fight for what's wrong,

For mayhem, and madness, and rare pokemon

I'm so gorgeous

I'm always the man

(You're just the players in my master plan)Team Rocket's rockin'

Talkin' trouble, walkin' trouble

Double trouble

Big trouble's gonna follow you

Team Rocket's rockin'

Talkin' trouble, walkin' trouble

Double trouble

Big trouble's gonna follow you

We're gonna capture Pikachu We're always gonna' try it  
No one can deny it  
We can cause a riot in Sunday school  
We'll have you believing  
Truth can be deceiving  
'Do unto others' is our Golden Rule This is our most ingenious plan ever  
If I do say so myself  
Even we couldn't screw this one up  
Oh, could you two just stop, here they come  
Prepare for trouble Team Rocket's rockin'  
Talkin' trouble, walkin' trouble  
Double trouble  
Big trouble's gonna follow you  
Team Rocket's rockin'  
Talkin' trouble, walkin' trouble  
Double trouble  
Big trouble's gonna follow you  
Team Rocket's rockin'  
Talkin' trouble, walkin' trouble  
Double trouble  
Big trouble's gonna follow you  
Team Rocket's rockin'  
Talkin' trouble, walkin' trouble  
Double trouble  
Big trouble's gonna follow you  
Team Rocket's rockin'
