

# The Power of Love (You Are My Lady)

## Air Supply

The whispers in the morning  
Of lovers sleeping tight  
Are rolling by like thunder now As I look in your eyes  
I hold on to your body  
And feel each move you make Your voice is warm and tender  
A love that I could not forsake  
'Cause you are my lady  
And I am your man Whenever you reach for me  
I'll do all that I can  
Lost is how I'm feeling  
Lying in your arms  
When the world outside's too much to take  
That all ends when I'm with you  
Even though there may be times  
It seems I'm far away  
Never wonder where I am 'Cause I am always by your side  
'Cause you are my lady  
And I am your man  
Whenever you reach for me I'll do all that I can  
We're heading for something  
Somewhere I've never been  
Sometimes I am frightened  
But I'm ready to learn of the power of love  
The sound of your heart beating  
Made it clear suddenly  
The feeling that I can't go on  
Is light years away  
We're heading for something  
Somewhere I've never been  
Sometimes I am frightened  
But I'm ready to learn of the power of love  
We're heading for something  
Somewhere I've never been  
Sometimes I am frightened  
But I'm ready to learn of the power of love  
We're heading for something  
Somewhere I've never been  
Sometimes I am frightened  
But I'm ready to learn of the power of love
