

Tear Da Roof Off

Busta Rhymes

Yea, Hmmm

Alright now

Yea

After the ultimate world blast that ended all things
this is how we rebuilt shit from the underground up
Bounce nigga bounce bounce bounce nigga

When I come THROUGH, hit y'all with the one TWO
Break y'all niggas that y'all niggas won't even know what to DO
Break fool, make all y'all people wanna come TO
Feel the force of my shit kickin' like it was Kung FU
Blast THROUGH, don't these corny niggas harass YOU
Set a tone in the streets where even the fans blast YOU
Ask YOU niggas, do y'all really want the brand NEW?
Corny niggas just finish your time and over pass DU
HE HA What HO, think it's way pass your CURFEW
Hit you with some shit that make doctors come have to nurse YOU
