

Burn

Usher

I don't understand why
See it's burning me to hold onto this
I know this is something I gotta do
But that don't mean I want to
What I'm trying to say is that I-love-you I just
I feel like this is coming to an end
And its better for me to
Let it go now than hold on and hurt you
I gotta let it burn
It's gonna burn for me to say this
But it's comin from my heart
It's been a long time comingBut we done been fell apart
Really wanna work this out
But I don't think you're gonna change
I do but you don't
Think it's best we go our separate ways
Tell me why I should stay in this relationship
When I'm hurting baby, I ain't happy baby
Plus there's so many other things I gotta deal with
I think that you should let it burnWhen the feeling ain't the same and your body don't want to
But you know gotta let it go cuz the party ain't jumpin' like it used to
Even though this might bruise youLet it burn
Let it burn...
Gotta let it burn
Deep down you know it's best for yourself but you
Hate the thought of her being with someone else
But you know that it's over
We knew it been through
Let it burn
Let it burnGotta let it burn
Sendin' pages I ain't supposed to
Got somebody here but I want you
Cause the feelin ain't the same find myself
Callin' her your name
Ladies tell me do you understand?
Now all my fellas do you feel my pain?
It's the way I feel
I know I made a mistake
Now it's too late
I know she ain't comin back
What I gotta do now
To get my shorty back

Ooo ooo ooo oooooh
Man I don't know what I'm gonna do
Without my booo
You've been gone for too long
It's been fifty-leven days, um-teen hoursImma be burnin' till you return (let it burn)
When the feeling ain't the same and your body don't want to
But you know gotta let it go cuz the party ain't jumpin' like it used to
Even though this might bruise you
Let it burn
Let it burn...
Gotta let it burnDeep down you know it's best for yourself but you
Hate the thought of her being with someone else
But you know that it's over
We knew it been through
Let it burn
Let it burn...
Gotta let it burnI'm twisted cuz one side of me is tellin' me
that I need to move on
On the other side I wanna break down
and cry (ooooh)
I'm twisted cuz one side of me is tellin' me
that I need to move on
On the other side I wanna break down and cry (yeah)Ooh ooh ooh ooh ooh ooh
Ooh ooh ooh (can ya feel me burnin'?)
Ooh ooh ooh ooh ooh oohOoh ooh ooh (can ya feel me burnin'?)
Ooh ooh ooh ooh ooh oohOoh ooh ooh (can ya feel me burnin'?)
Ooh ooh ooh ooh ooh ooh
So many days, so many hours
I'm still burnin' till you return
When the feeling ain't the same and your body don't want to
But you know gotta let it go cuz the party ain't jumpin' like it used to
Even though this might bruise you
Let it burn
Let it burn...
Gotta let it burn
Deep down you know it's best for yourself but you
Hate the thought of her being with someone else
But you know that it's over
We knew it been through
Let it burn
Let it burn
Gotta let it burn
