

House Party (feat. MAC MILLER & Wale)

Meek Mill

I tell 'em meet me in the bathroom
I fuck her while the water runnin'
Her friend knockin' at the door
And she screamin' out I'm cummin' I tell 'em meet me in the bathroom
I fuck her while the water runnin'
Her friend knockin' at the door
And she screamin' House party, I'mma play
The DJ Martin Lawrence
You know I'm always survivor man
Those guys, Kid and Play I tell 'em meet me in the bathroom
I fuck her while the water runnin'
Her friend knockin' at the door
And she screamin' out I'm cummin'
And my youngin' in my other room
Fuckin' up my sheets
She tell 'em boy, don't grab my hair
Because you're fuckin' up my weave I got a hundred bottles Ciroc boy
All my jewelry cold as fuck but I'm a hot boy
All these stones in my chain make me a rock boy
And I heard you niggas talking money, you should stop, boy I fuck bitches by the group, I get
money by the pound
French Montana on all these niggas ch-ch-chop 'em down
Every time I'm in the club these niggas is not around
Everybody talking money, I say prove it not a sound White girls gone wild
We don't judge 'em though, they ain't on trial
Bad bitches got 'em on dial
It's bottoms up but it's going down
Welcome to my house party, party
Welcome to my house party, party
Welcome to my house party, party
Welcome to my house party, party Ciroc all on my table, bitches in the living room
They gon' ask who at the door, tryna get in too
Only me and my niggas, tell her bring a friend or two
Bottles poppin' models, watching all in my living room Welcome to my house party, party
Welcome to my house party, party
Welcome to my house party, party
Welcome to my house party, party Meet us at the bunny ranch
You know where the honey's camp
Meek Milly, Young Chris
You know why them honeys amped Gotta be a natural born star
Doin' shit that money can't
Daddy day care home

Why you think your honey ain't Who you think she stay with?
 This that Kid and Play shit
 Your main chick got our night job
 You can get a day shift I'm a hit her from the back
 Meek get her face shit
 He ain't wanna sway up
 In this motherfucker, hey bitch Hey bitch, hey ho, yeah, we on that lay low
 And they all Simon says, she do what I say so
 Got the whole house packed, you can get your spouse back
 When we done partyin', where the molly at that loud pack Haters can't tell us shit, don't knock
 me, tell your bitch
 House party, poppin' on that Martin shit, we're yelling switch
 Cold bottles, cold magnums, gold bottles
 We spitting on each other pussy and them hoes swallow Ciroc all on my table, bitches in the
 living room
 They gon' ask who at the door, tryna get in too
 Only me and my niggas, tell her bring a friend or two
 Bottles poppin' models watching all in my living room Ciroc all on my table, bitches in the
 living room
 They gon' ask who at the door, tryna get in too
 Only me and my niggas, tell her bring a friend or two
 Bottles poppin' models watching all in my living room Welcome to my house party, party
 Welcome to my house party, party
 Welcome to my house party, party
 Welcome to my house party, party ATL new will ville
 Tryna to show em how my nigga louis will feel
 Thursday call it meek mill ville
 You got a car ride in a Benz man it's the real deal We in the movie room, we ain't watching
 movies though
 Lights camera action, we gon' make a movie ho
 She lookin' all at my wrist, she love the way this music blow
 Pack house is hot as shit, she tell me that I'm cooler though Cooler than a fan, fresh like it's
 Easter
 Homie, I don't even want your bitch, you can keep her
 She say I ain't hit that, only you believe her
 Pull off in the Lambo, I'm like hasta la vista Welcome to my house party, party
 Welcome to my house party, party
 Welcome to my house party, party
 Welcome to my house party, party Ciroc all on my table, bitches in the living room
 They gon' ask who at the door, tryna get in too
 Only me and my niggas, tell her bring a friend or two
 Bottles poppin' models watching all in my living room
