

All My Love

Why Don't We

No playing, no faking
No games, no hesitation
Your body, so crazy
I bet your mind's amazing You're running, I'm chasing
I'm wilding and you're taming
You got it, come get it, all of My love
All of my love
All of my love
All of my love
My love
No hating, debating
You're worth the wait I'm saving
I'm asking, I'm praying
You bless my life by staying You're running, I'm chasing
I'm wilding and you're taming
You got it, come get it All of my love, all my love My love
All of my love
All of my love
All of my love
My love All of my love, all my love
All of my love, all my love
All of my love, all my love
All of my love, all my love
My love
(All of my love, all my love)
All of my love
(All of my love, all my love)
All of love
(All of my love, all my love)
All of my love
My love, love (All of my love, all my love)
All of my love (All of my love, all my love)
