

# Secret Admirer (feat. Lloyd)

## Pitbull

Playa Skills, Pitbull, I'm your secret admirer  
I've been watchin' you posed up all night with your girls  
I'm just wonderin', you gotta man or?  
What type of situation you in? Girl, you should know that  
I've got you on my mind  
Your secret admirer  
Girl, I've been watchin' you (You, you, you)  
Can't get enough of  
(You, you)  
Can't get enough of (You, you, you)  
Can't get enough of  
(You)  
Of you  
You got that sexy walk, you got them pretty eyes  
You like Aaliyah, one in a million, that's how I feel inside  
So I'm writin' you this one page letter to let you know what it is  
I think about you while I'm in the car, the club, the crib I don't know what you do to me, first  
time I feel this way  
I don't know what to do no more, attracted to you in a freaky way  
I can tell that you know what to do when you do what you do  
So how 'bout we get together some time, baby, just me and you, I want to Girl, you should  
know that  
I've got you on my mind  
Your secret admirer  
Girl, I've been watchin' you (You, you, you)  
Can't get enough of  
(You, you)  
Can't get enough of  
(You, you, you)  
Can't get enough of  
(You) Love it when you lick your lips, love your smile  
Love it when you let your hair down, that drives me wild  
Baby, you're just right, baby, you're my type  
How 'bout we leave the club and make this our night? Let's fulfill fantasies and live our  
dreams  
I promise, baby, I aim to please  
So if you're thinkin' what I'm thinkin' let's stop thinkin' and go  
I'm your secret admirer, keep it on the low Girl, you should know that  
I've got you on my mind  
Your secret admirer  
Girl, I've been watchin' you (You, you, you)  
Can't get enough of

(You, you)  
Can't get enough of (You, you, you)  
Can't get enough of  
(You) At night I think of you  
I want to be your lover, baby  
So if you need some love give me a call, boo  
I can be the one to come and freak you At night I think of you  
I want to be your lover, baby  
And I won't hesitate to come and fall through  
Shawty, I can't wait to give my heart to (You, you, you)  
Can't get enough of  
(You, you)  
Can't get enough of (You, you, you)  
Can't get enough of you  
(You)
