

# Love

## Keyshia Cole

I used think that I wasn't fine enough  
And I used to think I wasn't wild enough  
But I won't waste my time tryin' to figure out  
Why you playin' games, what's this all about? And I can't believe you're hurting me  
I met your girl what a difference  
What you seen in her you ain't seen in me  
But I guess it was all just make believe Oh love, never knew what I was missin'  
But I knew once we start kissin' I found  
Love, never knew what I was missin'  
But I knew once we start kissin' I found, I found you  
Now you're goin',? What am I gonna do?  
So empty my heart, my soul can't go on  
Go on without you  
My rainy days fade away  
When you come around please tell me baby  
Why you go so far away, why you go Love, never knew what I was missin'  
But I knew once we start kissin' I found  
Love, never knew what I was missin'  
But I knew once we start kissin' I found, I found you  
Who would have known I'd find you? Now you're goin',? What am I gonna do?  
So empty my heart, my soul can't go on  
Go on baby without you  
Rainy days fade away  
When you come around say you're here to stay with me boy  
I don't want you to leave me, I, I need you  
Love, never knew what I was missin'  
But I knew once we start kissin' I found  
Love, never knew what I was missin'  
But I knew once we start kissin' I found Love, never knew what I was missin'  
But I knew once we start kissin' I found
