Wills, see what they say.[e] hold up man, we ain't bringing nothing up until I diss this girl, man.

[p] aw, you ain't going to go into that jane thing again?

[e] you know I had to diss her! i told her don't mess with me, you know?

[p] but why you gotta be bothering with that skeezer? that was way back

In 1986!

[e] let me tell you how it went anyway

[e] hanging out late drinking a couple of brews

[p] turn on the radio put the shit on snooze

[e] so when it's time to get up, the radio comes on

[p] blasting in my ear with the hip-hop song

[e] five minutes later I hear someone knocking

[p] yo outside yo, my stereo's rocking

[e] saying in my mind who can it be?

[p] it was me, the p double e m d

[e] I said yo

[p] I said yo

[e] what's up trooper? I have a girl and she wants me to duke her

[p] why didn't you?

[e] I woulda have been, only thing she brung along a friend

So pmd (yo?) why don't you do me a favor?

Chill with the bitch and I'll hook you up later

She's fly, haircut like anita baker

[p] looked up and down and said hmm, I'll take her

She came in, I said hi my name is p

She said hello my name is j-a-n-e

I said jane, oh, what a nice name

It reminds me of a high school flame

[e] she came behind me and then she rubbed my back

She started moaning and said yo, let's hit the sack

Went to my room because she was kinda bossy

Girl broke buckwild

[p] and started playing horsey

[e] she showed pain but inside she felt joy

[p] ayo she broke wild and said ride em cowboy!

[e] three o'clock on the dot

[p] tired of busting her

[e] woke up in the morning to my record you're a customer

She left me a note, she called me the medicine

Said next time you have to be better

[p] bigger
[e] stronger and much faster
[p] and you don't quit, epmd rock double
[e] to the funky shit!
