

# Get It All (feat. Nicki Minaj)

Sean Garrett

She said baby...I know you love her, but I love you  
She caught my face like a Kodak  
I couldn't shake the weather  
Storm had nothing on this chick named Heather  
Damn everytime I seen her, it was just the thought of break up  
You know niggas and girls how they quit then they make up  
She told me she been in love with me every since we were in 6th grade  
Ms. Hills class, I'm just thinking (ahh ohh)  
Mighty funny didn't notice her back then  
But now her body banging, got me thinkin (ahh ohh)  
I'm just thinkin I'm to quick to fall  
I wanna hit it but I'm still involved  
She told me that the girl I'm with don't get it  
She wanna show me she can be better girlfriend  
Shawty said she had so many dreams of her and me, she couldn't sleep  
She tellin me to come and get it all (get it all)  
She so glad the girlfriend that I use to have didn't wanna treat me right  
So she told me I can get it all (get it all)  
Best believe me she gon get it all (get it all)  
Best believe me she gon get it all (get it all)  
She told me that the girl I'm with don't get it  
She wanna show me she can be better girlfriend  
Stop playin man I been hotter than summer school  
Cuz even then I use to make them mutha fuckas drool

Let me stick shift, ride it, back it up, and then park it  
cause you and me, we should be together

Now dat dat dat dat dat dats black on black  
And if the bitch call ya phone that's a back hand smack
