

# Summertime (feat. San Holo)

## Yellow Claw

[Verse 1]

I don't know why, but this feels like summertime  
Out late at night, with you standing by my side  
Maybe it's the lights or the walk that your skin on mine  
I don't know why, but this feels like summertime[Pre-Chorus]  
When I catch you alone, just you and me  
Make you my own, you're all I need  
I'm here alone, just here for you  
Make you my own, if you wanted to[Chorus]  
We can go to my place. Turn off all lights  
No need for phone calls  
Yeah, we can kill time  
You know what you want, I know what I need  
You want a good time  
Girl, you can trust me  
(I don't know why, why, why)  
(I don't know why, why, why)[Verse 2]

I don't know why, but you look like paradise  
Think it's your eyes, or your tan skin no close, for what  
This was the night, and we're running out of time

When I catch you alone, just you and me  
Make you my own, you're all I need  
I'm here alone, just here for you  
Make you my own, if you wanted to

We can go to my place. Turn off all lights  
No need for phone calls  
Yeah, we can kill time  
You know what you want, I know what I need  
You want a good time

(I don't know why, why, why)
