

Got Me Good

Ciara

My back is aching, my bra too tight
My hip's shaking from left to right
My back is aching, my bra too tight
My booty's shaking from the left to the right
My back is aching, I'm so in love
Baby, all I know is you got me good
It's been too long, baby, too long
It's time to start a new game
Game, a new game
It's been too long, baby, too long
Let's play before it's too late
Late, it's too late
Put your hands on my, ah
Baby, touch me like that
Make my body, boom zoom
When you touch me like that
Touch me like that
When you touch me like that
Make my body boom, boom
Baby, touch me like that
Nobody can make me feel make me feel so right
Nobody but you
Nobody can make me feel, like dancing all night
Nobody but you
You got it, yeah, you know you got me good
Yeah, you got it, yeah, you know you got me good, yeah
Nobody can make me feel like you do, baby
You got me good
My back is aching, my bra too tight
My booty's shaking from the left to the right
My back is aching, I'm so in love
Baby, all I know is you got me good
I want, baby, I want you with me
For a long time, time, a long time
So gone, yeah, we're so gone
We going till the sunrise
Rise, the sunrise
Put your hands on my, ah
Baby, touch me like that
Make my body boom, zoom
When you touch me like that
Touch me like that
When you touch me like that
Make my body boom, boom
Baby, touch me like that
Nobody can make me feel, make me feel so right
Nobody but you
Nobody can make me feel like dancing all night
Nobody but you
You got it, yeah, you know you got me good
Yeah, you got it, yeah, you know you got me good, yeah

Nobody can make me feel like you do, baby
