

# Just Let Go

## Killswitch Engage

Holding on to something  
That I know I can't control  
And I could not have it any other way  
Restless anxious is all I've known  
Defenseless against this  
This changes in my soul  
What was once reluctance soon becomes the will to grow  
And I would not have it any other way So I let go, lose control  
Let go to the unknown  
Nothing changes in refusing to grow  
Wisdom engages those who will grasp for something more  
Take this leap of faith (take this leap of faith)  
There's no time to waste  
And I cannot have it any other way (any other way) So I let go, lose control  
Just let go, let go Yeah  
Just let go  
See behind the hue  
Reject what I once knew  
I'll let go (I'll let go)  
Surrender Let go (let go)  
Just let go (let go), surrender
