

Epa Wei

Danny Ocean

Oh, ba-babylon girl, babylon girl
Yeah yeah, yeah yeah When I walked in I saw ya
Lights were fading out, fading out, for ya (that's right)
Haven't met you before, no
But I waited a lot, waited a lot for ya, yeah So baby when you move, when you move like this
Move, when you move like this (stop it)
Move, when you move like that
I know I should stay back, woah, woah
Should we give it up?
Put that juice in that cup
Sipping fast and wining slow
Should I stay or should I go?
We play
Epa, epa wei
Epa, epa, wei, wei, wei
Epa, epa, wei
Epa, epa, wei, wei, wei
Epa, epa wei
Epa, epa, wei, wei, wei When she move like this, uh
I can't, can't walk away, no How am I gonna find the words?
I didn't come alone again, wei
Somebody who comes, and she goes
She don't allow me to know
But it's all okay I can't stand here no more
Watching you dancing low
It hurts, oh baby it hurts
Pegadita, así, como te gusta
Pegadita, así, como te gusta, bou
Dime si lo quieres o no
Dime si me quieres o no
Wei-ei-ei-ei You got me twisted, I'm losing, I'm lifted
Ya no puedo más
Ya no puedo más, baby
Ya no puedo más, baby Hey, epa, epa, wei
Epa, epa, wei, wei, wei
Epa, epa, wei
Epa, epa, wei, wei, wei
Epa, epa, wei
Epa, epa, wei, wei, wei When she move like this, uh
I can't, can't walk away, no Pegadita, así, como te gusta
Pegadita, así, como te gusta, bou
Dime si me quieres o no

Dime si me quieres o no We play
Epa, epa, wei
Epa, epa, wei, wei, wei
Epa, epa, wei
Epa, epa, wei, wei, wei I see in your eyes
Play with fire, but we can't take it
But we can't take it
And I realize the feelings alive
We shouldn't break it
Oh, we shouldn't break it Just ven, epa, epa, wei
Epa, epa, wei
Oh, epa, epa, wei
Epa, epa, wei I can't take it anymore
All this back and forth
Meet me by the door
Now, are you for sure? We play
Epa, epa, wei
Epa, epa, wei, wei, wei
Epa, epa, wei
Epa, epa, wei, wei, wei
Epa, epa, wei
Epa, epa, wei, wei, wei When she move like this, uh
I can't, can't walk away, no Pegadita, así, como te gusta
Pegadita, así, como te gusta, bou
Dime si me quieres o no
Dime si lo quieres o no We play
Epa, epa, wei
Epa, epa, wei, wei, wei When she move like this, uh
I can't, can't walk away, no
