

# Mama Said Knock You Out

## LL Cool J

C'mon man And with the local DDC news, LL Cool J with a triumphant comeback but  
tonite...Don't call it a comeback I been here for years  
I'm Rockin' my peers Puttin' suckers in fear  
Makin' the tears rain down like a monsoon  
Listen to the bass go boom  
Explosions, overpowerin'  
Over the competition, I'm towerin'  
Records shock When I drop  
these lyrics That'll make you call the cops  
Don't you dare stare  
You betta move Don't ever compare  
me to the rest They'll all get sliced and diced  
Competition's payin' the price I'm gonna knock you out  
Mama said knock you out  
I'm gonna knock you out  
Mama said knock you out  
I'm gonna knock you out Mama said knock you out  
I'm gonna knock you out  
Mama said knock you out  
Don't you call this no regular jam  
I'm gonna rock this land  
I'm gonna take this itty-bitty world by storm  
And I'm just getting warm  
Just like Mohammad Ali, they called him Cassius  
Watch me bash this  
Beat like a skull Dontcha know I gotta beef wit'  
Why don't you rip with  
me, the maniac psycho  
Cuz when I pull out my jammy, get ready cuz it might go  
Blauh! How do you like me now?  
The ripper will not allow  
you to get wit' Mr. Smith don't risk  
Listen to my gear shift. I'm blastin', outlastin'  
Colors like shaft, so you could say I'm shaftin'  
Old English filled my mind  
and I came up with the funky rhyme I'm gonna knock you out  
Mama said knock you out  
I'm gonna knock you out Mama said knock you out I'm gonna knock you out  
Mama said knock you out  
I'm gonna knock you out

When I rip and kill at will

The man of the hour, tower of power

I'm gonna tie you up and let you understand

That I'm not your average man

When I gotta jammy in my hand

Pass me a sissy, and suckas I'll slay him

Pull my lever

'Cause I explode

And my nine is easy to load

I gotta thank God

'Cause he gave me the strength to rock
