Jose Guapo

She just love the fact im a huster  
she know I got street credit ima busy for her  
juggin out my I-phone I got customers  
Nah it aint no sercet dog  
Nah it aint no secret dog  
She just love the fact im a huster  
she know I got street credit I busy for her  
juggin out my I-phone I got customers  
Nah it aint no sercet dog  
I Fucks with her  
she dun fell in love with a thug  
she dun fell in love with a thug  
Its cheaper to leave her  
but I just might keep her  
I know she go keep on  
I smoke all this reefa nd dirty 2 liters
