

# Something in Your Eyes

Bell Biv DeVoe

Oh, yeah  
You like that  
So lay your head back  
Here we go  
You like that  
Feels good  
Oh, yeah You ask me why I say why not  
Anything is possible and anything can be  
Therefore tonight I'll get you hot  
You feel the passion you never dreamed And I know you feel I'm over-confident  
What kind of man could I be  
It's clear to see it's like animal attraction  
When you add it up it's just a matter of fractions, girl  
Something in your eyes told me  
That you were lookin' for a man you could adore  
Something in your eyes are givin' me a sign  
And I knew it was on, I knew it was on If think you're dry, I say you're wet  
I can make it possible, I can make it true  
And all night long I'll make you sweat  
Gonna do a feelin' that long past overdue And I know you think why so much confidence  
What kind of man must I be  
It's clear to see it's like adding and subtracting  
When you add it up, it's just animal attraction Something in your eyes told me  
That you were lookin' for a man you could adore  
Something in your eyes are givin' me a sign  
And I knew it was on, I knew it was on  
Something in your eyes told me  
That you were lookin' for a man you could adore  
Something in your eyes are givin' me a sign  
And I knew it was on, I knew it was on So when I get inside and make you wet  
I'll lick you dry  
Make your body weak from all the body heat  
Just like a lion you'll hear me roar  
And then I beat into your body, make that body get weak some more  
I'll take you to the peak, I'll make you want to scream  
And like a lion you'll hear my body roar and roar and roar and roar and roar Ooh, ooh,  
ooh Something in your eyes told me  
That you were lookin' for a man you could adore  
Something in your eyes are givin' me a sign  
And I knew it was on, I knew it was on Anything is possible and anything can be  
You can feel the passion you never ever dreamed of  
See it in your eyes, you're givin' me a sign

And I knew it was on, I knew it was on  
It was something in your eyes told, made me feel  
Something in your eyes and hey, I could see it  
Something in your eyes are givin' me a sign  
And I knew it was on, I knew it was on  
Something in your eyes told me  
That you were lookin' for a man you could adore  
Something in your eyes are givin' me a sign  
And I knew it was on, I knew it was on
