Yo, it is an honor
To introduce the future of R&B
His name is Chris Brown
And uh, you know what this is
Yeah, another BeatJocks joint uhRound 1, I hear the ding
I walk up and shake your hand
Girl, I gotta know what's up
Baby, what's your name? Can I get your number?
'Cuz I wanna to talk about some things, yeahRound 2, it ain't a thing
I was movin' every way you move, bobbin' and weavin'
Like a young boy was supposed to do
It seemed like only yesterday that we did it
Now you own me like a finish and I just gotta say that
Baby, you're a winner
It didn't even take you 12 rounds
To do it, you got the title now
Imma tell the whole world
to give it up for my girlBaby, you're a winner
It didn't even take you 12 rounds
To do it, you got the title now
Imma tell the whole world
to give it up for my girlRound 3, I can see me and you walkin' down the aisle
And I know we're young, so it'll be a while
before we doin' that, but my momma got me in trainin'
Gettin' ready for the day when I'm make somebody happy(oh oh oh)
Said I was done with lovin', then I found some like you (oh)
Somebody tell me what I was supposed to do
You put my back against the ropes
No choice but to unfold, I gotta give it to you, baby you are
Baby, you're a winner
It didn't even take you 12 rounds
(didn't even take you 12 rounds)
To do it, you got the title now(ohh yeah)
Imma tell the whole world
to give it up for my girl
(give it up for my girl)
Baby, you're a winnerIt didn't even take you 12 rounds
(awe, yeah)
To do it, you got the title now
Imma tell the whole world(whole world)
to give it up for my girl
(this the part i like right here)

Oh, girl, baby, I just can't believe That every time you come around
I start losin' my breath, I'm trippin' over myself
'Cause you hittin' me, hittin' me
Oh, girl, baby, it's so plain to see
That you got the best of me So I'm throwin' in the towel
(throwin in the towel)
Baby, I bow out
oh, oh, oh, oh, let it breathe
oh Baby, you're a winner
It didn't even take you 12 rounds
To do it, you got the title now
Imma tell the whole world
to give it up for my girl Baby, you're a winner
It didn't even take you 12 rounds
To do it, you got the title now
Imma tell the whole world
to give it up for my girl Baby, you're a winner
It didn't even take you 12 rounds
To do it, you got the title now
Imma tell the whole world
to give it up for my girl
Baby, you're a winner
It didn't even take you 12 rounds
To do it, you got the title now
Imma tell the whole world
to give it up for my girl
Baby, you're a winner
It didn't even take you 12 rounds
To do it, you got the title now
Imma tell the whole world
to give it up for my girl
Baby, you're a winner
It didn't even take you 12 rounds
To do it, you got the title now
Imma tell the whole world
to give it up for my girl
