

Up to the Roof (feat. Tracy Bonham)

Blue Man Group

All i see, its not for me
What i want, you have not got
Tried to use the things you sold me no matter what the cost
Tried to go the way you told me but each time i got lost
The stairs didn't lead me any where i'm taking the fire escape up to the roof
Dont care if its not the way you find the truth
Time to take this time to rise above this room and all of you,
Who say i should do like you would
Tried to live the life you sold me no matter what the cost
Tried to walk the way you told me but each time i got lost
The stairs didnt lead me any where
i'm taking the fire escape up to the roof
Dont care if its not the way you find the truth
And when i get all behind i dont what i'll find
But i'd rather look at the sky than wonder why i let you take my time
Time to take this time to rise above
i'm taking the fire escape up to the roof
Dont care if its not the way you find the truth
And when all behind i dont what i'll find
but i'd rather look at the sky than wonder why i let you take my time
Time to take this time to rise above
time to take this time to rise above
