

DoIHaveTheSause?

Ski Mask the Slump God

[Intro]

Uh, it's the motor

Huh, huh

Push start then I float her!

Huh, okay, uh-huh

What're you doing?

Uh-huh, uh-huh

Water! [Verse 1]

I said, hi, good afternoon

My name is Ski, and I'm higher than cow that jumped over the moon

Might be the coolest monkey in the jungle, but I'm not baboon

Like Nosferatu, vampire attire

What's on me, come with a tie and a suit

Uh-huh, uh-huh

Uh-huh, uh-huh

I want a Erykah Badu, uh-huh

Wet as a bayou, uh-huh

Damn, that pussy knocked me out like it was a uppercut from Ryu, (Hadouken!) uh-huh

Ha, ha, ha, ha, ha

Pussy nigga thought I lost my sauce, it's forever like a tattoo

I feel like the Packers logo, I'm a G

These niggas be feeling cap, like knees

Fuck it, I'ma be the knees of bumblebees

Your mother is teaching me the birds and bees

John Cena arena, you can't see me

I'ma bend that bitch like the letter C

Air Force 1 with the flow, no crease

Wish a nigga would, like he planting him a tree

[Chorus]

Uh-huh, uh-huh, uh-huh

I'm off Hennessy, uh-huh

That shirt made from sheep, uh-huh

That bitch had me sleep, uh-huh, uh-huh, uh-huh

She gon' suck my meat, uh-huh

She suck me to sleep, uh-huh

She my freak-a-leak, uh-huh

That shirt made from sheep, uh-huh

That witch had me sleep, uh-huh, uh-huh, uh-huh

She gon' suck my meat, uh-huh

She suck me to sleep, uh-huh

She my freak-a-leak, uh-huh, uh-huh, uh-huh (I'm a rockstar)

[Verse 2]

Yuh

Michael Myers, I'm trying to kill that pussy
Sesame Street, I'm a monster for that cookie (mmm, munch)
Lotta gang shit going on, but I'm not Boonk Gang (Boonk Gang!)

Suit ming, gonna give me happy ending

I said, finish an enemy, I will get rid of him

What is the minimum, maximum (maximum)

I used to trap and shit, now I be K.O

And he selling packs and be taxing 'em (taxing 'em)

Stack up them, racks up until they hit the top

Off with them vitamins, need good health to get the guap

Sauce never dry, can't tell a lie, 'cause a nigga be the truth

Baby food, airplane spoon, how she open

That mouth through the dick tube

I mean soon, I mean a baboon, acting like a coon

Looney Tunes, when I'm with my goons

Higher than the moon[Chorus]

Uh-huh, uh-huh, uh-huh

I'm off Hennessy, uh-huh

That shirt made from sheep, uh-huh

That bitch had me sleep, uh-huh, uh-huh, uh-huh

She gon' suck my meat, uh-huh

She suck me to sleep, uh-huh

She my freak-a-leak, uh-huh

That shirt made from sheep, uh-huh

That bitch had me sleep, uh-huh, uh-huh, uh-huh

She gon' suck my meat, uh-huh

She suck me to sleep, uh-huh

She my freak-a-leak, uh-huh, uh-huh, uh-huh
