

# Can't Get You

## Old Dominion

I get bored, I get drunk  
I get drunk, I get brave  
I get brave, I get a phone  
I get a phone, I get a cab I get a cab, I get to town  
I get to town, I get to thinking  
I get to thinking you'd love this bar  
I can get to the bar, but I can't get you Don't know what it is that I gotta do  
But something that I'm missing, that I oughta do  
I'd get another drink if I wanted to  
I would get another girl, I never want  
But I can't get, I can't get, I can't get you  
I get close, I get a smile  
I get closer, I get goodbye  
I get the signs all rearranged  
I get crazy and crazier every day Don't know what it is that I gotta do  
But something that I'm missing that I oughta do  
I'd get another drink if I wanted to  
I would get another girl, I never want  
But I can't get, I can't get, I can't get you Out of my mind, into my arms  
You got me good, you got my heart  
I can't get, I can't get, I can't get you  
Don't know what it is that I gotta do  
But something that I'm missing, that I oughta do do  
Don't know what it is that I gotta do  
But something that I'm missing, that I oughta do  
I'd get another drink if I wanted to  
I would get another girl, I can get her home  
But I can't get, I can't get, I can't get you  
I can't get, I can't get, I can't get you  
I can't get, I can't get, I can't get you  
I can't get you

Oh no
