

Empire

Of Monsters and Men

Feel the oceans as it breathes
Shivering teeth
See the mountains where they meet
Smothering meAs the wind fends off the waves
I count down the days
Heavy stones fear no weatherI find comfort in the sound
And the shape of the heart
How it echoes through the chest
From under the groundAs the hills turn into holes
I fill them with gold
Heavy stones fear no weather
And from the rain
Comes a river running
Wild that will create
An empire for you
Illuminate!
There's a river running
Wild that will createAn empire for you
An empire for two
An empire for you
An empire for twoAnd I paint your body black
I hide in your hair
And you're staring back at me
Like I wasn't thereAs our bodies become stills
We welcome the fear
Heavy stones fear no weather
And from the rain
Comes a rive running
Wild that will create
An empire for you
Illuminate!
There's a river running
Wild that will createAn empire for you
An empire for two
An empire for you
An empire for twoAnd from the rain
Comes a rive running
Wild that will create
An empire for you
Illuminate!
There's a river running
Wild that will createAn empire for you

An empire for two

An empire for you

An empire for two
