

We Got the Party

Hannah Montana

Come on, guys
Tell me what we're doing
We're hanging 'round when we could be all over the place
The sun is shining just the way we like it
Let's get outta this hallway
Show the world our face
It's Friday but there's nowhere to go
Anywhere is cool, but we're not going home
And we can do anything we wanna do
It's all up to me and you
Turn this park into a club
The stars are lights and the moon is a vibe from above
Skateboard here's our ride
So pull on up, everyone is waiting for us
Anywhere we are, anywhere we go
Everybody knows
We got the party with us
Anywhere we are, anywhere we go
Everybody knows
We got the party with us
We got the party with us
We got the party with us
Radio, let me be a DJ
I'll turn you up, keep us moving 'til we're on a roll
Everyone is dancing to their own beat
And letting go, everybody here's got a soul
It's Friday and there's nowhere to be
We're kicking it together, it's so good to be free
We got each other and that's all we need
The rest is up to you and me
Turn this park into a club
The stars are lights and the moon is a vibe from above
Skateboard here's our ride
So pull on up, everyone is waiting for us
Anywhere we are, anywhere we go
Everybody knows
We got the party with us
Anywhere we are, anywhere we go
Everybody knows
We got the party with us
We got the party with us
Whoo!
We got the party, we got the party
Life is for dreamers
And I'm a believer
That nothing can stand in our way today
Let's find a place to play
Yeah!
Turn this park into a club

The stars are lights and the moon is a vibe from above
Skateboard here's our ride
So pull on up, everyone is waiting for us Anywhere we are, anywhere we go
Everybody knows
We got the party with us
Anywhere we are, anywhere we go
Everybody knows
We got the party with us Turn this park into a club
The stars are lights and the moon is a vibe from above
Skateboard here's our ride
So pull on up, everyone is waiting for us Anywhere we are, anywhere we go
Everybody knows
We got the party with us!
Anywhere we are, anywhere we go
Everybody knows
We got the party, we got the party
We got the party, we got the party with us
We got the party with us
