

World, Hold On (feat. Steve Edwards)

Bob Sinclar

Ohhh, yeah
Open up your heart, what do you feel
Open up your heart, what do you feel... is realThe big bang may be a million years away, no
But I can't think of a better time to sayWorld, hold on
Instead of messing with our future, open up inside
World, hold on
Wonder you will have to answer to the children of the sky
Ohhh, children of the sky...Look inside, you'll find a deeper love
The kind that only comes from high aboveIf you ever meet your inner child, don't cry
Tell them everything is gonna be alrightWorld, hold on
Come one, everybody in the universe
World (come on), hold on
Wonder you will have to answer to the children of the skyChildren of the sky... alright
Love, don't take no for an answer, no no. alright!
Right here, spread love, everybody join together now
One race, one heart
Love and unity, everybody sing
yeahhhh.
World hold on
World, hold on
Come one, everybody in the universe
World (come on), hold on
Wonder you will have to answer to the children of the sky
World (come on), hold on
Come one, everybody in the universe
World (come on), hold on
Wonder you will have to answer to the children of the sky
