

# Somebody To Love

[Kacey Musgraves](#)

We're all hoping, we're all hopeless  
We're all thorns and we're all roses  
We're all looking down our noses at ourselves  
We're all flawed and we're all perfect  
We're all lost and we're all hurting  
And just searching for somebody to love  
We're all liars, we're all legends  
We're all tens, I'd want elevens  
We're all trying to get to heaven, but not today  
We're all happy, we're all hatin'  
We're all patiently impatient  
And just waiting for somebody to love  
We're all good, but we ain't angels  
We all sin, but we ain't devils  
We're all pots and we're all kettles  
But we can't see it in ourselves  
We're all livin' 'til we're dying  
We ain't cool, but man, we're trying  
Just thinking we'll be fixed by someone else  
We all wrangle with religion  
We all talk, but we don't listen  
We're all starving for attention then we'll run  
We're all paper, we're all scissors  
We're all fightin' with our mirrors  
Scared we'll never find somebody to love  
We're all good, but we ain't angels  
We all sin, but we ain't devils  
We're all pots and we're all kettles  
But we can't see it in ourselves  
We're all livin' 'til we're dying  
We ain't cool, but man, we're trying  
Thinking we'll be fixed by someone else  
Just tryin' to hold it all together  
We all wish our best was better  
Just hopin' that forever's really real  
We'll miss a dime to grab a nickel  
Overcomplicate the sample  
We're all little kids just looking for love  
Yeah, don't we all just want somebody to love?
