

# She Got Arrested

## The Interrupters

She got arrested  
For shooting down her man  
U.S. Marshals  
Caught her outside of Spokane  
She said: "I'd do it again  
Do it again,  
Do it again.  
I'd do it again  
Do it again,  
Do it again.  
Yeah, I'd do it again"  
She met luck a year ago last Christmas  
He drove a truck in town on business  
She fell in love or so she thought  
Cuz Marilyn was cold and the batter was hot so  
She moved alone to the city of sin  
And got a place with him  
Put her chips all in yeah  
Got dark, he was a stranger  
Put his hands on her in anger And she got arrested  
For shooting down her man  
U.S. Marshals  
caught her outside of Spokane  
She said: "I'd do it again  
Do it again  
Do it again  
I'd do it again  
Do it again  
Do it again  
Do it again  
I'd do it again"  
They brought her down to the police station  
In a eight foot room for interrogation  
Her finger prints on the murder weapon  
All they needed was damn confession  
She was bloody beaten for years  
Her demeanor was cold but she cried no tears  
This time it was his blood on her  
She wore it like a badge of honor And she got arrested  
For shooting down her man  
U.S. Marshals  
Caught her outside of Spokane

She said: "I'd do it again  
Do it again  
Do it again  
I'd do it again  
Do it again  
Do it again  
Do it again  
I'd do it again"Flight risk, drove a thousand miles  
In a cell for a year on trial  
No regrets for the things she done  
He lost the fight, she wonTell the story, jury hurry  
Deliberated for a verdict  
She's up for murder in the first degree  
Cuz she refused to plead insanityAnd she got arrested  
For shooting down her man  
U.S. Marshals  
Caught her outside of Spokane  
She said: "I'd do it again  
Do it again  
Do it again  
I'd do it again  
Do it again  
Do it again  
Do it again  
I'd do it again""Do it again  
Do it again  
Do it again  
I'd do it again  
Yeah, I'd do it again  
Do it again, that's right  
Do it again  
I'd do it again"
