

# Hesitate

## Jonas Brothers

[Verse 1: Joe Jonas]

Kiss the tears right off your face  
Won't get scared, that's the old, old, old me  
I'll be there time and place  
Lay it on me, all you're hold, hold, holding[Pre-Chorus: Joe Jonas]  
Time, time only heals if we work through it now  
And I promise we'll figure this out[Chorus: Joe Jonas]

I will take your pain  
And put it on my heart  
I won't hesitate  
Just tell me where to start  
I thank the oceans for giving me you  
You saved me once and now I'll save you too  
I won't hesitate for you

[Verse 2: Nick Jonas]

Don't you ever say goodbye  
Cross my heart, and you can keep, keep, keep mine  
If I could only read your mind  
Then I could map out all the ways to make it right[Pre-Chorus: Nick Jonas]  
Time, time only heals if we work through it now  
I, I promise we'll figure this out[Chorus: Nick Jonas]

I will take your pain  
And put it on my heart  
I won't hesitate  
Just tell me where to start  
I thank the oceans for giving me you  
You saved me once and now I'll save you too  
I won't hesitate for you

[Bridge: Joe Jonas, Joe Jonas & Nick Jonas]

Pull me close and I'll hold you tight  
Don't be scared 'cause I'm on your side  
Know there's nothing I wouldn't do for you  
Pull me close and I'll hold you tight  
Don't be scared 'cause I'm on your side  
Know there's nothing I wouldn't do for you[Chorus: Joe Jonas, Joe Jonas & Nick Jonas]

I will take your pain  
And put it on my heart  
I won't hesitate  
Just tell me where to start  
I thank the oceans for giving me you  
You saved me once and I'll save you too  
I won't hesitate for you
