So suicidal, first dem ever see this  
Gangsta for life, the realist  
Every street, every block  
Gullyside and a me  
Tell dem we the best is just a family  
From Kingston, Jamaica to Miami  
We taking over, lead mek dem falla we

Mi a di real thing  
From New York to California  
To Arizona dem haffi set we free

You know, hands in the sky if you with me  
It's the gullyside life you know  
You now... you know... So suicidal, first dem ever see this
