

I'm Gonna Show You Crazy

Bebe Rexha

There's a war inside my head
Sometimes I wish that I was dead, I'm broken
So I call this therapist
And she said girl you can't be fixed just take this
I'm tired of trying to be normal
I'm always overthinking
I'm driving myself crazy
So what if I'm fucking crazy
And I don't need your quick fix
I don't want your prescriptions
Just cause you say I'm crazy
So what if I'm fucking crazy
Yeah I'm gonna show you
Loco, maniac, sick bitch, psychopath,
Yeah I'm gonna show you
I'm gonna show you,
Yeah, I'm gonna show you,
Mental out my brain, bad shit go insane,
Yeah I'm gonna show you
I'm gonna show you
Yeah, I'm gonna show you
I've been searching city streets
Trying to find the missing piece like you said
And I searched hard only to find,
There's not a single thing that's wrong with my mind
Yeah, I'm tired of tryna be normal
I'm always over thinking
Driving myself crazy
So what if I'm fucking crazy
And I don't need your quick fix
I don't want your prescriptions
Just cause you say I'm crazy
So what if I'm fucking crazy
I'm gonna show you
Loco, maniac, sick bitch, psychopath,
Yeah I'm gonna show you
I'm gonna show you,
Yeah, I'm gonna show you,
Mental out my brain, bad shit go insane,
Yeah I'm gonna show you
I'm gonna show you
I'm gonna show you
Crazy, crazy, yeah I'm gonna show you
Crazy, crazy, yeah I'm gonna show you
Crazy, crazy yeah
I'm tired of trying to be normal
I'm driving myself crazy
And I don't need your quick fix
I don't want your prescriptions
Just 'cause you say I'm crazy
So what if I'm fucking crazy
Yeah, I'm gonna show you
Loco, maniac, sick bitch, psychopath,

Yeah, I'm gonna show you
I'm gonna show you,
Yeah, I'm gonna show you
Mental out my brain, bad shit go insane,
Yeah, I'm gonna show you
I'm gonna show you
Yeah, I'm gonna show you
