

# Make It With You

## Bread

Hey have you ever tried  
Really reaching out for the other side?  
I may be climbing on rainbows  
But baby here goes Dreams they're for those who sleep  
Life is for us to keep  
And if you're wondering  
What this song is leading to  
I want to make it with you I really think  
That we could make it girl  
No, you don't know me well  
In every little thing only time will tell If you believe the things that I do  
And we'll see it through  
Life can be short or long  
Love can be right or wrong  
And if I chose the one  
I'd like to help me through  
I'd like to make it with you  
I really think  
That we could make it girl  
Baby you know that dreams  
They're for those who sleep  
Life it's for us to keep  
And if I chose the one  
I'd like to help me through  
I'd like to make it with you  
I really think  
That we could make it girl
