

Everything Means Nothing to Me

[Elliott Smith](#)

Someone found the future as a statue in a fountain
At attention looking backward in a pool of water
Wishes with a blue songbird on his shoulder
Who keeps singing over everything Everything means nothing to me
Everything means nothing to me
Everything means nothing to me I picked up the song and found my picture in the paper
The reflection in the water showed an iron man still
Trying to salute people from a time when he was
Everything he's supposed to be
Everything means nothing to me
Everything means nothing to me
Everything means nothing to me
