

# God Will Make a Way

Shirley Caesar

God will make a way  
I know that He will, I've seen it and He will  
God will bring you, bring you out  
I know that He will, I've seen it and I know He will  
If you just let Him make a way God will make a way  
I know that He will, I've seen it and He will  
I've seen it and I know He will  
God will make a way  
I know He will, I've seen it and He will  
Make a way  
God will, yes, He'll make a way  
He knows exactly what you've been feeling now  
So don't you doubt and don't you give up now  
For the God I serve is already working it out God will bring you out, for He knows the way  
I know that He will, He knows a way out of your problems  
I've seen it and He will  
He knows a way out of your situation  
God will, God will, God will bring you out  
I know that He will, oh, I've seen it and I know that He will  
Make a way  
So you see I tried Him, He made a way for me  
I understand just what you've been going through  
Listen, it is not the time for you to give up now  
You've been praying and your miracle is on the way  
God will, God will make a way  
Won't you let Him?  
Yes, He will  
I've tried it for myself  
I've seen it and He will  
I know that, I know that, I know He will  
God will, won't you try him?  
Make a way, yes He will  
I know that He will, I've tried it for myself  
I've seen it and He will  
Lord will make a way  
I know He will, yes He will  
Brother James you see I tried it for myself  
And I dare you to try the Lord  
He'll be your friend, He'll be right beside you  
When you're sick and can't get well  
When the doctors gives you bad news  
But I know that He will

Watch this: Jesus, step right in  
He'll be right there, I know He will  
Oh yeah, He will
