

Vampires Will Never Hurt You

My Chemical Romance

And if they get me and the sun goes down into the ground
And if they get me take this spike to my heart and
And if they get me and the sun goes down
And if they get me take this spike and
You put the spike in my heart!!!And if the sun comes up will it tear the skin right off our bones
And then as razor sharp white teeth rip out our necks I saw you there
Someone get me to the doctor, someone get me to a church
Where they can pump this venom gaping hole
And you must keep your soul like a secret in your throat
And if they come and get me
You put the spike in my heart
And if they get me and the sun goes down
And if they get me take this spike and Can you take this spike?
Will it fill our hearts with thoughts of endless
Night time sky
Can you take this spike?
Will it wash away this jet black feeling?And now the nightclub sets the stage for this
they come in pairs she said
We'll shoot back holy water
like cheap whiskey they're always there
Someone get me to the doctor, and someone call the nurse
And someone buy me roses, and someone burn the church
We're hanging out with corpses, and driving in this hearse
And someone save my soul tonight, please save my soul
Can you take this spike?
Will it fill our hearts with thoughts of endless
Night time sky
Can you take this spike?
Will it wash away this jet black now?And as these days watch over time,
and as these days watch over time
And as these days watch over us tonight I'll never let them, I'll never let them
I'll never let them hurt you not tonight
I'll never let them, I can't forget them
I'll never let them hurt you, I promiseStruck down, before our prime
Before, you got off the floor
Can you stake my heart? Can you stake my heart?Can you stake my heart? Can you stake my
heart?
Can you stake my heart? Can you stake my heart?
Can you stake me before the sun goes down?
