Apollo Brown & Skyzoo

It's hard

Easy?

Is not an option

It's hard living

Life is hard

You will go through things and while you're going
through them you can't understand why it's
happening to you

But after you go through it you get back and you
look at it and you say "Oh, now I understand why I
needed that lesson."

And you look at it and embrace whatever comes to
you

Don't run from it. Step towards it

Don't try to duck it like most people do

See, most people want it easy

Easy come, easy what?

Easy go
