

# Renee's Song

Bazzi

There's a song I like to sing  
It says your name, I love the ring  
So come here, so come here  
I may be broken by my past  
But I know my worst days, they won't last If you come here (Just come here, come here, come here)  
So, come here  
Oh, will you come here? Oh, isn't it beautiful  
Watchin' the cards unfold?  
Oh, I want you to come here (I want you to come here)  
Oh, I want you to come here (Touchin' you, lovin' you)  
Touchin' you, lovin' you  
I've been touchin' you, lovin' you  
Touchin' you, lovin' you  
I've been—  
There's a wind up in the North  
It tells us love's our only source So, come here (Just come here, come here, come here)  
So, come here (Oh, will you come here?)  
Oh, will you come here? (Just come here, come here, come here)  
Just come here  
Oh, will you come here? Oh, isn't it beautiful  
Watchin' the cards unfold?  
Oh, I want you to come here (I want you to come here)  
Oh, I want you to come here  
Watchin' you dance tonight  
So free and full of life  
Oh, I want you to come here (I want you to come here)  
Oh, I want you to come here
