

# New Generation

## Skid Row

I sold my soul for you.  
You cut my life in two.  
Nightmares from what I've seen and where I've been  
made me run from you again. Controlling, Big Brothers eye.  
Containment? I'd rather die we're all part of new generation  
sold our souls to the next temptation  
lead us not to our own damnation  
I've seen what harts brings.  
I've seen the flesh of kings  
Blinded my eyes my mouth you've sewn it shut  
protecting me from fucking Up? Controlling, Big Brothers eye.  
Containment? I'd rather die  
we're all part of new generation  
sold our souls to the next temptation  
lead us not to our own damnation (x4) new generation (x3)
