

Smokepurpp & Murda Beatz

[Intro]

Yuh, wait

Lil Purpp

Huh

Lil Purpp bless yo trap

I ain't really finna' tell y'all how to get away with murda and shit

Yeah[Chorus]

Okay, 1-2-3, yeah, I just popped a bean

Okay, 4-5-6, yeah, eight hoes on my dick

Niggas salty and they hatin' 'cause Lil Purpp is young and rich

And my girl got a girl but her tongue got my kids

I just jumped up in that Jag, we smoke woods, not no Zigs

Lil Purpp in high demand, yeah, these verses worth a brick

And she know that I got hoes, but she still gon' suck my dick

All these diamonds on my neck, got the flu, bitch I'm sick

[Verse 1]

This is a fur from Koala

My niggas scammers and robbers

Everything hit like the Dodgers

Droppin' my chains in the water

Spent hunnid racks, I'm a baller

I get the bread like I'm [?]

He tryna' run but we got him

Drop the shit down to the bottom

Huh, wait

I want all the smoke

I smoke all the dope

Uzi with a scope

Huh, wait

I count all these racks

I been movin' crack

Lil bih' throw it back

[Chorus]

Okay, 1-2-3, yeah, I just popped a bean

Okay, 4-5-6, yeah, eight hoes on my dick

Niggas salty and they hatin' 'cause Lil Purpp is young and rich

And my girl got a girl but her tongue got my kids

I just jumped up in that Jag, we smoke woods, not no Zigs

Lil Purpp in high demand, yeah, these verses worth a brick

And she know that I got hoes, but she still gon' suck my dick

All these diamonds on my neck, got the flu, bitch I'm sick[Verse 2]

Smoking on cookie, that's dank

Lil Purpp got blues in the bank
Lil Purpp on top of the ranks
I'm in the cut like a shank
Big AP, it's bust down
Fuck that lil' ho, she get bust down
Lil Purpp don't ride in no trucks now
I spent the racks, give no fucks now
Switch lanes, switch lanes
I flip the bitch like a switch blade
Water on me like it just rained
I take that bitch out to Ukraine
Woah, woah, woah, woah
She wanna sniff on this blow (woah)
My bank account full of O's
Jump out that motherfuckin' Ghost[Chorus]
Okay, 1-2-3, yeah, I just popped a bean
Okay, 4-5-6, yeah, eight hoes on my dick
Niggas salty and they hatin' 'cause Lil Purpp is young and rich
And my girl got a girl but her tongue got my kids
I just jumped up in that Jag, we smoke woods, not no Zigs
Lil Purpp in high demand, yeah, these verses worth a brick
And she know that I got hoes, but she still gon' suck my dick
All these diamonds on my neck, got the flu, bitch I'm sick
