I Can Let Go Now (feat. Sara Bareilles)

[Nathan East](#)

It was so right
It was so wrong
Almost at the same time
The pain and ache
A heart can take
No one really knows
When the memories cling
And keep you there
Till you no longer care
You can let go now
It's wrong for me to cling to you
Somehow I just needed time
From what was to be
It's not like me
To hold somebody down
But I was tossed high by love
Almost never came down
Only to land here
Where love's no longer found
Where I'm no longer bound
I can let go now
I can let go now
