

Share That Love (feat. G-Eazy)

Lukas Graham

[Lukas Graham:]

I remember driving 'em out of sight
Smoke's up, windows open
The sun's in our eyes, but it's alright
'Cause we don't know where we're goin' We don't need no mirror pointing back
Forget about the past, what's done is done and that is that
You didn't had more than the shirt that's on your back
But I'll never forget the way you turn to me and said When the good times are rolling on me
I got plenty in my pocket, if you're ever in need
Bad times nowhere on me
I got plenty in my pocket, if you're ever in need
Singin', oh oh, share that love
Oh oh oh, share that love
Good times are rolling on me
I got plenty in my pocket, if you're ever in need
I remember you on the lifeline
Holding on for daylight
Praying to the heavens that you're alright
Yeah, you know I'm on your side We don't need no mirror pointing back
Forget about the past, what's done is done and that is that
You didn't had more than the shirt that's on your back
But I'll never forget the way you turn to me and said When the good times are rolling on me
I got plenty in my pocket, if you're ever in need
Bad times nowhere on me
I got plenty in my pocket, if you're ever in need
Singin', oh oh, share that love
Oh oh oh, share that love
Good times are rolling on me
I got plenty in my pocket, if you're ever in need

[G-Eazy:]

I remember driving 'em out of sight
High as fuck, windows open (ay)
Five-O right behind us (blorp!)
Hit the gas and we go stoned
Got me wide open
It's time you fall in love, you run to wish you get heartbroken
Let's stay inside forever where your doors are hardly open (enough)
It's getting much heart attacks, it's getting much hard to talk in
Inside this way, love is lost and that is that
One day, no tag, she had a panic attack
And once you give yourself, you can't never have it back
She been through hard times, she ain't going back to that

She ain't going back to that (enough)[Lukas Graham:]

When the good times are rolling on me

I got plenty in my pocket, if you're ever in need

Bad times nowhere on me

I got plenty in my pocket, if you're ever in need

Singin', oh oh, share that love

Oh oh oh, share that love

Good times are rolling on me

I got plenty in my pocket, if you're ever in need

Singin', oh oh, share that love

Oh oh oh, share that love
