YOU'RE THE ONE (feat. Syd)

[KAYTRANADA](#)

I want you to want me
But you just gonna love me for the day
And I can't just walk away
Even though I know you're trouble babeSo imma take my time
Go with the flow, can't get too involved
You got a face that I
Just can't say no to
Just can't say no to you
You know I want you baby
You know I do
I'll give you my heart and the rest is up to you
You ain't no good for me, I know it's true
But you don't have to be
Cause I do it for the thrill, for the rush
I do it for the pain, for your touch
When I OD, when it's too much
If I survive, baby you're the one
You're the oneBabeI feel like I'm walking
The tightrope of love in your circus babe
If I were to fall off it'd be my last day
Even though you're right under me
So imma take my time
Go with the flow, can't get too involved
You got a face that I just can't say no to
Just can't say no to youYou know I want you baby
You know I do
I'll give you my heart and the rest is up to you
You ain't no good for me, I know its true
But you don't have to be, cause I do it
For the thrill, for the rush
I do it for the pain, for your touch
When I OD, when it's too much
You're the one
