

Power Over Me

Mr. Mister

I sit and watch you sleep, as you dream your dangerous dreams
I feel the healing heat, as the inner voices scream Your pain is mine, my blood is yours, I feel so
helpless just watching you This is the power over me, I'm rendered helpless, you've got me on
my knees

You have the power over me, nothing is certain, I wait for recovery They say it's always the
same, two steps forward one step back

Whatever he arranges, we must do the best we can Your pain is mine, my blood is yours, can
you hear me, I'm calling you You have the power over me, I'm rendered helpless, you've got me
on my knees

You have the power over me, nothing is certain, I wait for recovery I'm prayin' on my
knees (Solo)

You have the power over me, I'm rendered helpless, you've got me on my knees

You have the power over me, nothing is certain, I wait for recovery

Look at the power over me, I'm rendered helpless, you've got me on my knees
