

# Free and Easy (Down the Road I Go)

[Dierks Bentley](#)

Pair of boots and a sack of clothes  
Free and easy down the road I go  
Hangin' memories on the high line poles  
Free and easy down the road I go  
Free and easy down the road I go Ragweed's rockin' on the radio  
Free and easy down the road I go  
So I keep rollin' like an old banjo  
Free and easy down the road I go  
Got the sun shinin' on me like a big spotlight  
So I know everything is gonna be alright Ain't no tellin' where the wind might blow  
Free and easy down the road I go  
Livin' life like a Sunday stroll  
Free and easy down the road I go  
Free and easy down the road I go If you only get to go around one time  
I'm gonna sit back and try to enjoy the ride  
I could make a million or wind up broke  
Free and easy down the road I go  
Can't take it with you when you go  
So free and easy down the road I go Someday I know it's gonna take me home  
So free and easy down the road I go  
Free and easy down the road I go, yeah
