Better

Khalid

[Intro]
Better
Nothing, baby
Nothing feels better
I'm not really drunk, I never get that fucked up
I'm not, I'm so sober[Verse 1]
Love to see you shine in the night like the diamond you are
(Love to see you shine in the night like the diamond you are)
I'm good on the side, it's alright, just hold me in the dark
(I'm good on the side, it's alright, just hold me in the dark)
No one's gotta know what we do, hit me up when you're bored
(No one's gotta know what we do, hit me up when you're bored)
'Cause I live down the street
So hit me when you need and it's yours
All I hear is...
[Chorus]
Nothing feels better than this
Nothing feels better
Nothing feels better than this
Nothing feels better, oh no
We don't gotta hide, this is what you like
I admit
Nothing feels better than this[Verse 2]
You say we're just friends but I swear when nobody's around
(You say we're just friends but I swear when nobody's around)
You keep my hand around your neck, we connect, are you feeling it now?
(You keep my hand around your neck, we connect, are you feeling it now?)
'Cause I am
I got so high the other night, I swear to God, felt my feet lift the ground
(I got so high the other night, I swear to God I felt my feet lift the ground)
Ooh, yeah
Your back against the wall, this is all you've been talking about
In my ears
[Chorus]
Nothing feels better than this
Nothing feels better
Nothing feels better than this
Nothing feels better, oh no
We don't gotta hide, this is what you like
I admit
Nothing feels better than this[Bridge]
Now, left, right, left, right

Take you back, lean you side to side
Like that, like that, ayy
Ooh, now, left, right, left, right
Take you back, lean you side to side
Like[Chorus]
Nothing feels better than this
Nothing feels better
Nothing feels better than this
Nothing feels better, oh no
We don't gotta hide, this is what you like
I admit
Nothing feels better than this (Better than this)[Outro]
Nothing feels better than this
