

# Your Mother Was Cheaper

## Two Feet

Yeah, your mother was cheaper  
Everytime that I see her  
And she got the right motion  
But she ain't got no devotion And I still think about this  
And all the the things I thought I'd never miss  
We went real off that  
Yeah girl none of this time is coming back 'Cause it's been too, too, too long, yeah  
Too, too, too long, yeah  
Too, too, too long, yeah  
Too, too, too long, yeah  
You see you're glad that it's over  
As you're pulling me closer  
Always been that dramatic  
Life is less fun without it And I still think about this  
And all the the things I thought I'd never miss  
We went real off that  
Yeah girl none of this time is coming back 'Cause it's been too, too, too long, yeah  
Too, too, too long, yeah  
Too, too, too long, yeah  
Too, too, too long, yeah I can't let you go  
Yea, I can't let you know  
Yea, I can't let you go  
Yea, I can't let you know  
'Cause it's been too, too, too long, yeah  
Too, too, too long, yeah  
Too, too, too long, yeah  
Too, too, too long, yeah  
Too, too, too long, yeah  
Too, too, too long, yeah  
Too, too, too long, yeah  
Too, too, too long, yeah
