

15 Step

Radiohead

How come I end up where I started?
How come I end up where I went wrong?
Won't take my eyes off the ball again You reel me out then you cut the string
How come I end up where I started?
How come I end up where I went wrong? I won't take my eyes off the ball again
First you reel me out and then you cut the string
You used to be alright
What happened?
Did the cat get your tongue?
Did your string come undone?
One by one One by one
It comes to us all
It's as soft as your pillow
You used to be alright What happened?
Et cetera, et cetera
Fads for whatever
Fifteen steps
Then a sheer drop
How come I end up where I started?
How come I end up where I went wrong?
Won't take my eyes off the ball again
You reel me out then you cut the string
