

# Start Wearing Purple

## Gogol Bordello

Start wearing purple, wearing purple  
Start wearing purple for me now  
All your sanity and wits, they will all vanish  
I promise, it's just a matter of time! I know you since you were a twenty and I was twenty  
But thought that some years from now  
A purple little little lady will be perfect  
For dirty old and useless clown! So yeah, start wearing purple, wearing purple!  
Start wearing purple for me now!  
All your sanity and wits, they will all vanish,  
I promise, it's just a matter of time! I know it all from Diogenes to Foucault  
From Lozgechkin to Paspardu  
I ia klianus obossav dva paltza  
Chto muzika poshla ot Zvukov Mu!  
Start wearing purple, wearing purple!  
Start wearing purple for me now!  
All your sanity and wits, they will all vanish  
I promise, it's just a matter of time! So yeah, start wearing purple wearing purple!  
Start wearing purple for me now!  
So why don't you start wearing purple?  
Why don't you start wearing purple  
Start wearing purple for me now!  
Tantsi! All your sanity and wits, they will all vanish  
I promise, it's just a matter of time! So Fio-Fio-Fioletta! Eta!  
Da-da-dadama ti moia!  
Eh, podaite nam karetu, vot etu!  
I mi poedem k ebeniam!  
So yeah, start wearing purple wearing purple!  
Start wearing purple for me now!  
All your sanity and wits, they will all vanish,  
I promise, it's just a matter of time!
