

Good Life

OneRepublic

Woke up in London yesterday
Found myself in the city near Picadilly
Don't really know how I got here
I got some pictures on my phone New names and numbers that I don't know
Address to places like Abbey Road
Day turns to night
Night turns to whatever we want We're young enough to say Oh, this has gotta be the good
life This has gotta be the good life
This could really be a good life, good life
Say oh, got this feeling that you can't fight
Like this city is on fire tonight This could really be a good life
A good, good life
Oh oh oh oh oh oh
To my friends in New York I say hello My friends in L.A. they don't know
Where I've been for the past few years or so
Paris to China to Colorado
Sometimes there's airplanes I can't jump out Sometimes there's bullshit that don't work now
We all got our stories but please tell me-e-e
What there's to complain about
When you're happy like a fool Let it take you over
When everything is out
You gotta take it in
Oh, this has gotta be the good life
This has gotta be the good life
This could really be a good life, good life
Say oh, got this feeling that you can't fight
Like this city is on fire night
This could really be a good life
A good, good life
Oh oh oh oh oh oh
Oh good, good life
Oh yeah, oh oh oh oh
Hopelessly I feel like there might be something that I'll miss Hopelessly I feel like the window
closes oh so quick
Hopelessly I'm taking a mental picture of you now
Cause hopelessly the hope is we have so much to feel good about
Oh, this has gotta be the good life
This has gotta be the good life
This could really be a good life, good life
Say oh, got this feeling that you can't fight
Like this city is on fire night
This could really be a good life

A good, good life

Oh yeah

Good, good life

Good life

Oh oh oh oh oh oh

Listen!

To my friends in New York I say hello

My friends in L.A. they don't know

Where I've been for the past few years or so

Paris to China to Colorado

Sometimes there's airplanes I can't jump out

Sometimes there's bullshit that don't work now

We all got our stories but please tell me-e-e

What there's to complain about.
