

# March On

## Good Charlotte

Don't cry, open up your eyes and know  
There's someone else out there that feels this way I'm singing to you  
Cause I know what you've been through and now  
It's not so long ago I felt the same Like soldiers, march on  
If we can make it through tonight we'll see the sun  
March on, march on And I remember summer nights alone  
The fireflies the only thing we own  
Yeah, all we had were dreams of California  
And I remember winters were so cold  
Hunger was the only thing we know  
And rock'n'roll dreamin' was what saved us  
Like soldiers, march on  
If we can make it through tonight we'll see the sun  
March on, march on Till we see the sun, march on, till we see the sun  
Through the good times, through the bad times  
Through the long days, through the hard nights  
Keep on, till we see the sun Like soldiers, march on  
If we can make it through tonight we'll see the sun  
March on, march on  
Like soldiers, march on  
If we can make it through tonight we'll see the sun  
March on, march on Even when there's no one there for you march on  
Even when the days are long for you march on  
And like soldiers, march on
